

# Superior Dome Game Photos

## How to Pre-Order:

Fill out and hand the **order form with payment** to us BEFORE the game at the Superior Dome. Fill in as much information on order form, so we can locate your child on the field (put if he will play Offense and/or Defense — if you don't know, ask player or coach). **We will NOT accept orders after the game has started or completed.**

Products will be returned to the coach for delivery to parents.

## ***Only players who submit pre-orders will be photographed***

**Please read:** In order to ensure we get action photos of players who are ordering photos, we **will not** be photographing general game footage or have an online gallery of images. Our photos are “up-close”, stop-action and high quality and we take more than one photo of your athlete, to ensure we get good choices for the products/prints. Cutting Edge Photography selects the image for each product, in order to get products delivered in a timely fashion.

## **WE NEED ALL THIS INFORMATION TO FIND YOUR CHILD ON THE FIELD DURING PLAY**

*Please spell name clearly so we can easily read it*

- Make sure you fill in all blanks (position, team name, number, etc.) to ensure your order is not delayed.**

Payment by check is your express authorization that any returned checks may be re-presented to your account electronically or as an IRD along with a separate EFT or demand draft for the maximum returned/dishonored check fee as allowed by state law. Disclaimer: Cutting Edge Photography will make every attempt to capture one or multiple photos of your child in action. However, due to their participation in the game or action, location on the field and flow of the game, we cannot guarantee that each player will have a photo of them making a tackle, touchdown, reception or recovering a fumble. Some “general action” photos may be necessary to be used on the products ordered. Thank you for your understanding on the difficulties of photographing action photos at the youth level.

**Note:** All prices include MI Sales Tax (on cash and check payments). Credit cards will have sales tax added when card is run.

**Note #2:** If ordering more than one product, we will try to get different poses for each item ordered. We will select the best photos for each particular product, in an effort to get products processed and delivered in an efficient timeframe. Some duplicate photos may be required to be used on multiple products, depending on the player's participation and/or ability to photograph them during play.

**NOTE: Action photos are PRE-ORDER ONLY. ONLY THOSE PLAYERS WHO PRE-ORDER WILL BE PHOTOGRAPHED. This allows us to focus on athletes who have ordered & not randomly photograph the game. Thank you for your understanding.**
